

## Player Transfer Form

All players are bound to a club when they have consented to acknowledge a position and paid part or the entirety of a Carolina Champions League club enrollment charge.

Any player bound to a Carolina Champions League club member can't move once registered to a club besides in outstanding conditions.

Such conditions are:

- **A difference in living area that makes it hard to drive to the players current club.**
- **The team that a player enrolled for doesn't come to exist.**
- **Both clubs should consent to any player move after a player is bound to a club.**

The plan of this standard is for clubs to impart decently all through this cycle. This structure should be endorsed by both clubs and submitted to the Carolina Champions League
